

## **Finding Pleasure in Seeing Happy Children**

One August day in 2000, the great leader Comrade Kim Jong Il visited a timbermen's village in Songgan County.

Feasting his eyes on the happy children on a roller coaster in an amusement park, he was all smiles.

Waving his hand to the children for a while, he said to the officials: The children of the timbermen's village would be pleased. I am very happy to see a wonderful amusement park where the children of such mountain village can enjoy themselves to their heart's content. Today is one of the happiest days in my life.

He turned back to the amusement park and waved his hand to the children again.
